

**Orthodogs' Silver Lining Foundation** was created to serve as a place of hope for owners and caretakers of orthopedically challenged dogs. Our goal is to provide access to fundraising resources, and to make emergency funds available for exceptional cases.

Additionally, **Silver's Cause** is a unique fund created specifically for service dogs. Silver's Cause will provide financial assistance for any medical problem that these special companions may face, and will help to ensure that costly medical expenses will not threaten the relationship between a disabled person and their partner.

It is the Foundation's hope that the efforts of OSLF will ease the financial burden that so many families and guardians face, and that no dog will go without medical treatment, or be without a home, simply because of their extraordinary circumstances.

**OSLF is a nonprofit organization, staffed entirely by volunteers.** We are incorporated in the state of Oklahoma, and are a tax-exempt 501(c)3 nonprofit organization.

**Orthodogs' Silver Lining was inspired by Silver, and by Andria's dedication to her very special partner and assistance dog.**

**We hope that you will also be inspired, and join us in our efforts.**
